

*Gift of Dance
Scholarship Guidelines*

Peninsula School of the Arts Gift of Dance Scholarships are available for students between the ages of 3 and 18 years with a passion and desire to dance with Peninsula School of the Arts.

The funds are distributed in a fair and responsible manner by Peninsula School of the Arts' Scholarship Committee. They are awarded on a first-come, first-served basis dependent on the availability of funds. Students may be placed on a waiting list until funds become available. If a scholarship is not available or the student does not meet the requirements for the Gift of Dance Scholarship, parents are encouraged to contact PSA for alternative options. Please note, the majority of scholarships awarded are partial so that we may extend our limited funds to as many students as possible.

Gift of Dance Scholarships are awarded to students based on the following guidelines:

- Financial Need
- Merit
- Student's demonstrated desire to dance

The requirements for participating in the Gift of Dance Scholarship program are:

- Consistent attendance.
- On time class arrival
- Respect of the instructor and fellow students

I agree to the above guidelines and requirements for participating in the Peninsula School of the Arts Gift of Dance Scholarship Program and understand that my failure to abide by these guidelines may be grounds for losing my scholarship.
